

Remarks

The Examiner has issued an Official Action requiring identification of a species of claim 34.

The species of claim 34 that is elected is a compound of formula (IIIe) where R^1 , R^2 , R^3 and R^4 each represent hydrogen, X represents oxygen, n represents 2 and L^1 represents a leaving group.

Applicants preserve all rights to file one or more divisional applications directed to subject matter disclosed in this application and not previously claimed.

Applicants submit that the present application is in condition for allowance and favorable consideration is respectfully requested.

Respectfully submitted

A handwritten signature in black ink, consisting of a large, stylized 'J' and 'C' that loops around each other. A horizontal line is drawn across the bottom of the signature.
